Term 3

English Writing

As writers we will be writing a biography on Anne Frank and a flashback narrative based on WW2.

English Reading

As readers we will be reading Stone Girl, Bone Girl by Laurence Anholt.

Maths

As mathematicians we will be continuing to explore the 4 operations with decimal number and looking at percentages. We will also look at ratio.

History

As historians we will be investigating the causes of WW2; learning about the Battle of Britain; investigating the impact of the Blitz and evacuation on people's lives; and evaluating the effectiveness of primary sources.

Art

In art this term, year 6 will be looking at printmaking.

Science

As scientists will be exploring evolution. We will understand the concept of evolution through looking at fossils and exploring the ideas of adaptation, inheritance and natural selection.

RE

In RE, we will be understanding Buddhism: Buddhism Visitor, Buddhism trip— Stupa, Wat, Temple, Buddhism Holy artefacts, Buddhism Holy clothes, Buddhism Holy Music, Buddhism Meditation.

Computing

In Computing, we will be learning to code. We will be using the 2code programme to plan, design and create a program that includes variables relating to timing and scoring along with buttons which launch other programs. We will also learn how to organise code using multiple tabs. We will learn to use functions within code to debug.

PSHE

As citizen we will discuss our own strengths and how we can stretch ourselves by setting challenging and realistic goals. We will discuss the learning steps we will need to take as well as talking about how to stay motivated. We will reflect on various global issues and explore places where people may be suffering or living in difficult situations.

PE

As sporting stars, we will be learning hockey. We will learn to improve our defending and attacking play, developing further knowledge of the principles and tactics of each, develop consistency and control in dribbling, passing and receiving a ball.

We will also be learning the art of Dance—We will focus on developing an idea or theme into dance choreography. We will be exploring different choreographing tools to create dances e.g. formations, timing, dynamics. We will have opportunities to choreograph, perform and provide feedback on dance.

Music

Benjamin Britten - A new year carol

As musicians we will be gaining confidence through performance. We will also be exploring how music can improve our world.
